JON SLADEY - www.sladey.com - jon@sladey.com - 07858 809 702

I am able to provide camera operation for a wide variety of PSC applications spanning news, features, sport, documentaries and the corporate sector.

I come with or without equipment, and can offer extremely competitive rates for shooting on major formats (e.g. HDCAM, XDCAM, Digital Betacam, BetaSX, DVCAM, HDV, BetaSP and P2).

You supply the gear? I supply the gear? The choice is yours...

I own a comprehensive shooting kit comprising sound (with two radio ECM77 clip mics, Sennheiser 416 and various other mics), lighting (4 x lamp redheads or similar), grip and monitoring. I offer a second camera (usually HVR Z7 or similar) as standard when required. Whether you're a client who knows what they want, or one that needs some guidance - I'm here to help!

I can also handle format transfers or DVD copies of rushes at a special or nominal rate.

I'll fit in just fine for your needs, from being one component of a multi camera team on a live event to a one man band roving around. With over fifteen years experience in the broadcast field you might think that my rates are sky high... They're not.

YOU SUPPLY THE KIT:

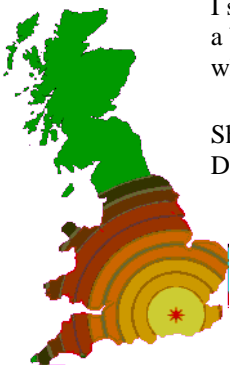

OPERATOR ONLY - FULL DAY	220
OPERATOR ONLY - HALF DAY (up to 5 hours)	140

I SUPPLY THE COMPLETE PACKAGE:

(all of the standard kit with your choice of the following format)

HDCAM (HDW750P)	620
DIGI BETA (DVW 790P)	480
DIGI BETA (DVW 700P)	420
BETA SP (BVW 300A)	300
DVCAM (DSR 450P)	420
HDV (HVR Z7 & Z1) SPECIAL RATE	300

Other formats are available. Not sure what you need? Just get in touch and I would be happy to help. All prices quoted are only a guide, I may be able to better them further and longform work or consecutive days shooting will help reduce your costs further. Complete package prices include camera, kit and operator. Based on a day of up to 10 hours. Tapestock is charged at basic cost and travel to location is normally included free.

I specialise in professional service at low cost regardless of whether you are a broadcaster, low budget film maker or charity - so get in touch and lets see what we can work out.

Showreel and samples of my work are at www.sladey.com, or request a DVD/Digi Beta copy.

I'm based in the South East/Sussex, but am available for work anywhere in the UK and beyond!

I look forward to the opportunity of working with you.
